INTERVIEWS

Scores of interviews about my books, journalism and issues in the news over many years – broadcast on The News Hour and Frontline on PBS, Morning Edition, Fresh Air, The Diane Rehm Show and other programs on NPR, various programs on CNN, MSNBC, CNBC, C-SPAN, BBC, ITV and numerous local commercial and public television and radio stations, and published in The Washington Post, The New York Times, Wall Street Journal, USA Today, Boston Globe, Newsweek and numerous other newspapers and magazines, in the United States and other countries, including Britain and Japan.

SUBJECTS OF JOURNALISTIC AND ACADEMIC REPORTING AND RESEARCH

Research and reporting for books, lectures and academic projects has focused on, among other subjects, the past, present and future of American news media; government and politics in the United States, Britain, Scandinavia and the European Community (including interviews with U. S. presidents, presidential candidates, cabinet members, governors and members of Congress, in addition to heads of government and senior officials of many other countries); U. S. national security and international relations, the American legal system, and urban development issues in the United States and Europe.
